

Dear Parents and/or Guardians,

This letter is to explain a little bit about the new club, **Chores for Charity**, in case your child comes home talking about joining! This club was created by a student in the 3rd grade at Christ the King, and she is hoping for this to be a school-wide endeavor.

Helping others can mean so much, especially when you are totally involved and working hard to help! In this club, the students don't just ask for parents to donate money, they earn the money themselves by doing work around the house. Students are encouraged to ask someone they know and trust (parents, grandparents, aunts/uncles, etc.) if they can do some chores for a few extra dollars. The students set their own goals, and they can donate as little (or as much) as they want.

It's fun, it's fulfilling, and anyone can be a part of it! Each quarter we will pick a charity to donate money and/or goods to. For the 3rd quarter, we are hoping to help out the Ronald McDonald House.

The last week of the quarter, the money is counted and we send it off to our charity along with a letter signed by everyone. Then we decide who we would like to help out the following quarter!

It's easy for your child to get started...they just get to work! They will take their donations to the main office. Mrs. Miller will be able to show them where it goes. As of now, a sign-up sheet has gone around to every classroom. If your child is interested but has not signed up that is fine...students can join at any time by bringing in a donation. *It will also be helpful for them to let Mrs. Hower know that they have joined as well 😊

The more people that work on this, the more people we can help! If you have any questions or concerns, please contact Mrs. Hower: shower@cktoledo.org.

Sincerely,

Sara Hower
School Counselor
