APRIL 2017

Career Day...

Middle School Career Day was a success! In total there were 13 speakers. Each student got to choose their top 6 and spent their day going to different sessions to learn about each speakers' career. **Thank you, once again, to all our volunteers, you were amazing, and the students had a blast hearing from you!**

On Friday, March 31st, students began **Career Day** by gathering together in the gym to listen to **John McQuillen**, from NASA Glenn Research Center, speak about his career as a NASA engineer. Mr. McQuillen is a Toledo native, who attended school through the Toledo Diocese and went on to the University of Toledo's Engineering Program. It was great to connect with someone who has such a similar background to our CK students ☺

Here is a full list of our Career Day speakers:

- Holly Miller, Attorney
- Thomas Garcia, Chef
- Dane Adolph, Ohio National Guard/F-16 Avionics
- Phil Gluza, Ironwork
- Joseph and Jamie Butz, Owners of H&B Poured Walls
- Shelly Nielsen, Senior Quality Engineer
- Connor Rose, Singer/Songwriter
- Jean Drees, Harbor Behavioral Health
- Emily Caruso, Food Blogger
- Steve Przynosch, Family Physician
- Matt Pastula, Architect
- Elyn Fritz, WTOL Meteorologist

CLASSROOM Connection

This month I am finishing up teaching Lesson 2 of the Touching Safety Program to all grades (k-8). For more information please visit my website: howers2016.weebly.com (under guidance lessons)

Students in Bridges are planning a **walk-a-thon** in support of Juvenile Diabetes. Students in grades 2-8 will be participating by walking laps around our school. Each lap takes about 7 minutes to complete; we are asking students to find family and friends willing to sponsor them per lap. Our goal for the walk is \$500.00. We are still in need of parent volunteers! If you are able to help please fill out the form on the next page!
